

International projects

The project

The International School for Posgraduate Students of the University of Granada is currently working on the UZDOC: Enhancing quality of doctoral education at Higher Education Institutions in Uzbekistan project .

UZDOC Study Visit at University of Granada

The Granada Study Visit will be held in Granada, Spain, from 9 to 15 April 2015. This study visit is designed in a way to combine theory with practical hands-on sessions and to ensure interaction and two-way communication between the participants and speakers/trainers.

The meeting will discuss topics such as internationalisation, interdisciplinarity and doctoral schools, and it will also intend to establish the basis for the elaboration of the Centres for doctoral education, a deliverable of the UZDOC project.

The University of Granada is the hosting institution of this study visit, which closes the second phase of the UZDOC project.
