

2025-2026 Edition

2025-26 Call

The Coimbra Group is pleased to launch the call for the 10th edition of the Coimbra Group Three-Minute-Thesis (CG 3MT) Competition.

Please remember the general requirements to participate:

- Be enrolled in any of the PhD program of the University of Granada in the 2025-2026 academic year, EXCEPT those enrolled for the first time.
- Have submitted and approved the Research Plan.
- It is recommended that your thesis be in an advanced state and that you have results from your research.

All participants will join a practical course on Scientific Communication and up to twenty of them will have their monologues revised by expert English language professors, as well as follow an specialized course in English to prepare their participation.
