MASTER'S DEGREES

UNIVERSIDAD  
DE GRANADA

# 10 REASONS TO STUDY AT THE UNIVERSITY OF GRANADA

## 1 A HIGH-RANKING UNIVERSITY

The UGR is widely recognized internationally for its quality in higher education, teaching, research and outreach. National and international rankings reflect the UGR's position among the top universities in Spain and among the best in the world. According to the 2018 edition of the ARWU-Shanghai Ranking, the UGR is the third-ranked university in Spain.

## 2 A TRULY INTERNATIONAL EXPERIENCE

The UGR is the most popular destination among European exchange students (Erasmus+) and the European leader in figures of both incoming and outgoing Erasmus students.

The UGR is a welcoming cosmopolitan university: about 20% of students enrolled in master's degrees are international students. Moreover, the UGR participates in more than 800 bilateral and multilateral exchanges with institutions around the world.

## 3 A WIDE RANGE OF PROGRAMMES AND DEGREES

The UGR offers an extensive selection of high-quality academic programmes with a clear international vocation. In the academic year 2018/2019 the UGR will offer:

- > More than 80 undergraduate degree programmes in a wide range of fields.
- > More than 100 master's degree programmes; 8 of which in international partnerships.
- > 28 doctoral programmes in three interdisciplinary doctoral schools.
- > An extensive range of intensive courses, certificate courses, summer schools and online courses.

## 4 LANGUAGE LEARNING OPPORTUNITIES

Students can learn Spanish and other languages alongside the 10,000 local and international students who enrol each year in courses offered by the UGR's Modern Languages Centre, Confucius Institute (Chinese), "Ruskiy Mir" Russian Centre and "al-Babtain" Chair in Arab Studies.

## 5 WORLD-CLASS RESEARCH

The UGR is internationally renowned for its excellence in diverse research fields, such as Library and Information Sciences (world top 30), Health Sciences, Cultural Heritage, and Linguistics, among others. Its nearly 500 research groups work in all areas of scientific knowledge, collaborating closely with other national and international leaders in their fields, as well as key industries.

## 6 OUTSTANDING FACILITIES AND ACTIVITIES

The UGR offers a wide range of top-quality services for its students and staff, covering all aspects of university life (accommodation, libraries, Wi-Fi, refectories, disability services, sports and many more).

## 7 AN IDEAL UNIVERSITY CITY

The UGR merges with the city, its schools and campuses distributed throughout Granada, giving the city a lively student atmosphere (56,000 students in a city of 240,000 inhabitants). It also has campuses in the North African cities of Ceuta and Melilla, making it a truly intercontinental institution.

## 8 AN UNBEATABLE LOCATION

Granada, a safe modern city, also has an outstanding geographical location just 40 minutes from the Mediterranean Coast with its tropical climate, and 30 minutes from the Sierra Nevada ski resort. Moreover, the UGR is an intercontinental university, since it has campuses in both Granada and North Africa (Ceuta y Melilla).

## 9 A CULTURALLY AND HISTORICALLY RICH CITY

Granada is an enchanting city, full of monuments, history and, of course, the University. Along with its charm, its many cultural and recreational activities make it a great city to explore and a magnificent destination for students from around the world. Granada offers a wide range of cultural activities including festivals of flamenco, jazz, tango, theatre, poetry, magic, music, and dance.

## 10 COMMITMENT TO SUSTAINABLE DEVELOPMENT AND COOPERATION

The UGR is firmly committed to the UN Sustainable Development Goals. Students and staff take part in local community service and international development cooperation activities. Students work in an environment of diversity, equality and tolerance.
